Place Signature Validation Program (SVP) Stamp or Medallion Signature Guarantee Stamp here (if required):

The Signature Validation Program (SVP) Stamp is intended to provide a signature guarantee for those transactions considered non-financial in nature. The SVP Stamp on a document assures the signature on the document is genuine, the signer was known by or satisfactorily identified by the guarantor and the signer had the authority to sign the document. In the event the bank or financial institution does not offer the SVP Stamp, a Medallion Guarantee Stamp will be accepted.

The SVP Stamp and the Medallion Guarantee Stamp may be obtained from an eligible guarantor of the Medallion Guarantee Program, which includes commercial banks, trust companies, savings associations and credit unions, as defined by the Federal Deposit Insurance Act. Also included are member firms of a domestic stock exchange. Non bar-coded guarantees or stamps from a Notary Public are not acceptable. All bar-coded guarantees must be legible. Prior to signing, contact the guarantor to determine what documentation needs to be provided.
