

Pax World Global Citizen Contribution Form

Mercy Corps

Thank you for choosing to support Mercy Corps through the Pax World Global Citizen Program.

Mercy Corps seeks to alleviate suffering, poverty and oppression by helping people build secure, productive and just communities. For 30 years, in the midst of economic collapse, political transitions, armed conflict, and natural disasters, Mercy Corps has been helping millions of individuals, families and communities turn crises into opportunities for sustainable, positive change.

Pax World has worked with Mercy Corps for more than 20 years to bring help and hope to some of the world's poorest families. In that time, Pax World investors' donations have supported humanitarian work in areas such as Honduras, North Korea and the Darfur region of Sudan. In particular, Pax World investors' contributions were pivotal in the creation of the Mercy Corps Global Emergency Operation, which addresses humanitarian crises worldwide and serves as a technical resource on emergency preparedness and security. By designating portions of their dividend or capital gains distributions, Pax World investors have contributed over \$1 million to Mercy Corps since 1998.

By designating a portion of your investment earnings to Mercy Corps or by making a direct gift, you will be investing in long-term solutions to some of the world's most pressing problems. Thank you for making a sustainable investment through Mercy Corps.
